Public Participation

Pursuant to the provisions of Governor Gavin Newsom's [Executive Order N-29-20](#), dated March 17, 2020, neither a public location nor web conference locations are provided.

The meeting is accessible to the public via WebEx. A link to the WebEx Event and [instructions on how to connect](#) will be added to this agenda and the Medical Board of California's (Board) website approximately one week prior to the meeting date.

Additionally, the public may submit written comments regarding items on the agenda, as well as items not on the agenda, to be provided to Council Members in advance of the meeting. To submit written public comments, please identify which topic or agenda item you are commenting on, and email your comments to the Board at WebMaster@mbc.ca.gov, or mail your comments to the attention of Tonya Morairty, Medical Board of California, 2005 Evergreen Street, Suite 1200, Sacramento, CA 95815. Comments should be received by the Board by March 4, 2021, for timely distribution to Board Members.

Meetings of the Medical Board of California are open to the public except when specifically noticed otherwise in accordance with the Open Meeting Act. The audience will be given appropriate opportunities to comment on any issue presented in open session before the Council, but the Chair may apportion available time among those who wish to speak. For additional information, call (916) 263-2393.

NOTICE: The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting Tonya Morairty at (916) 263-2393 or send a written request to Tonya.Morairty@mbc.ca.gov. Providing your request at least five business days before the meeting will help ensure availability of the requested accommodation.

The mission of the Medical Board of California is to protect health care consumers through the proper licensing and regulation of physicians and surgeons and certain allied health care professionals and through the vigorous, objective enforcement of the Medical Practice Act, and to promote access to quality medical care through the Board's licensing and regulatory functions.
