Re: STATEMENT REGARDING "PRIMARY SOURCE" DATA

In response to your request for a letter certifying the accuracy of information obtained from the Medical Board of California's (Board) website, the following statement is provided:

The Board updates and maintains the information used on the License Detail page of the Department of Consumer Affairs' License Search website. The information provided is extracted from the Board's database and is current as of the date indicated on the site.

As always, your organization is responsible for any decision it may make based on the Board's website information. However, it is the Board's intent to provide accurate physician license information and to allow users the ability to verify licenses expeditiously.

Sincerely,

Reji Varghese
Executive Director
