Pursuant to Business and Professions Code section 805.5, prior to granting or renewing staff privileges to any physician, any health care facility licensed by the California Department of Public Health (CDPH), health care service plan or medical care foundation, the medical staff of the institution, a facility certified to participate in the federal Medicare Program as an ambulatory surgical center, or an accredited outpatient surgery setting (OSS), shall request a report from the Medical Board of California (Board) as to whether the applying physician has been denied staff privileges or had those privileges removed or restricted. This is not considered public information and cannot be disclosed to clients other than those legally entitled to request that information.

If licensed by the CDPH, enter the seven digit license number and provide a copy of the license:

If licensed by the Department of Managed Health Care, enter the license/plan number:

If the facility is certified by the Center for Medicare and Medicaid Services to participate in the Medicare program, enter the certification number:

If OSS is accredited by an accreditation agency approved by the Board, enter the facility or organization number:

Organization, if other than indicated above, you are authorizing to act as your agent to request 805 information:

ORGANIZATION AND RESPONSIBLE USER AGREEMENT

The above named Organization and Responsible User agree that information obtained from the Board's License Verification System (LVS) is for official use only and shall not be sold or otherwise disclosed to any third party. The Organization and Responsible User further agree to use all precautions to assure that the information is held in strict confidence, not disclosed to any unauthorized person(s), and/or used in an unauthorized manner.

LVS users will not be permitted to exceed 9,500 queries per calendar month without prior approval from the Board. Individuals using LVS in excess of their authority are subject to monitoring by system personnel. All http and FTP accesses are logged and monitored. LVS users who exceed the 9,500 limit will have their access denied. All users expressly consent to such monitoring and are advised that if such monitoring reveals possible evidence of criminal activity, further legal action may be taken.

The Organization and Responsible User agree to comply with this Security Agreement as a condition for accessing the Board's LVS or associated systems and are legally bound by this document. Failure to fully comply with these policies and requirements will result in the denial of access. The Organization and Responsible User understand that any illegal use of the Board's LVS or associated systems is punishable as a public offense under California Penal Code section 502.

Signatures of the Responsible User and Manager of the Organization to this document certify under penalty of perjury under the laws of the State of California, they have read, understand, and agree to the statements made in this Security Agreement.
